All dogs must be on leash or crated at all times except when in the ring or when in the designated agility warm-up area. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site.

In such case, no refund of any fees paid will be made.

Games Classes

Chutes and Ladders: The object of this game is to run a numbered course made of contact obstacles and tunnels. This game is scored time plus faults for off courses and missed contacts.

Dealers Choice: This game runs like a standard numbered course except there are choices of obstacles grouped together with the same number. The team must complete the course according to the numbers. All of the number one obstacles must be completed before the number two obstacles are started. No obstacle may be taken more than once unless it is faulted. The team must complete all of the same number before moving on the next number.

Weakest Link: The object of this game is to score as many points as possible in the allotted time, Only banked points will count toward the final score. The dog and handler team have 60 seconds to accumulate the best score possible. The dog is directed to any obstacle to earn points, each obstacle taken by the dog must be worth as much or more than the previous obstacle taken. The handler directs the dog to the tire to bank the points accumulated. After the performance of the tire the dog and handler team start over to accumulate and bank another group of points. Each sequence banked must be unique. If the dog faults all potential points are lost (banked points can never be lost).

Black Hole: This game starts and ends on the table. The handler directs his dog thru a numbered course and is accumulating points for every obstacle performed. The dog continues to accumulate points unless the dog goes into a tunnel. At that point the handler directs the dog to the table to stop the clock.

**JUDGE'S BRIEFING ON DAY OF TRIAL
SUPERSEDES ANY PREVIOUS BRIEFINGS.**

AWARDS: Ribbons will be awarded for 1st through 3rd in each jump height in each class. Qualifying ribbons will be awarded to all dogs receiving a qualifying score. Dogs may receive placement ribbons without qualifying.

Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division, but not in a division lower than their proper height division. Dogs that run in a height division lower than their proper division will be eliminated. Provisional dogs must be measured by a judge. To figure leg to shoulder ratio: Height from the elbow to the ground ÷ height at the withers = % (ratio). If that percentage is less than 50% and meets the height requirement then the dog can jump at the next lower height.

4" jump height – restricted to dogs measuring 8" or less at the withers; or dogs with a jump height exception measuring 12" or less.

8" jump height – restricted to dogs measuring 12" or less at the withers; or dogs with a jump height exception measuring 15" or less.

12" jump height – restricted to dogs measuring 15" or less at the withers; or dogs with a jump height exception measuring 17" or less.

16" jump height – restricted to dogs measuring 17" or less at the withers.

Any dog without a height card will need to be measured.

How the Fast Track Move-Up Works

Titles may be grand-fathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from beginner to superior on the same day, if the dog qualifies first in beginners, then qualifies again in Intermediate.

Likewise, a dog may move up from Games I to Games III by earning qualifying scores at each of the lower two levels.

A qualifying score in the lower class is required to move up to the next higher class. The dog's owner must submit a copy of title certificates for the dog.

Please mark each of the following that apply:

Move up from Beginners to: Intermediate Superior
Move up from Games I to: Games II Games III

Submit \$8.00 with your move-up request, and attach this form. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have four chances at each), and is non-refundable. This Fast Track Fee must be paid for this trial even if it was paid for a previous trial.
