FEO entries will be taken day of show only. Teams entered FEO will have up to 1.5 times the SCT for their run.

Notice to Exhibitors

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

All dogs must be on leash or crated at all times except when in the ring or when in the designated agility warm-up area. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site.

In such case, no refund of any fees paid will be made.

Food and toys are not permitted in the course area and handlers are not allowed to use whistles or other instruments or devices.

Exhibitors are responsible for being at the ring gate when it is their turn to run.

Exhibitors may wear shirts with insignia of their training group if they wish.

At the handler's option, the dog may wear a flat (buckle or quick release) collar without tags or other attachments. Choke collars, pinch collars, electric and dummy electric collars are prohibited.

Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring.

ELIGIBILITY: This event is open to any dog 17" and under, and over the age of 12 months. Exceptions are: bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance.

ENTRIES CLOSE 6:00 p.m April 5, 2010. Day of show entries will be accepted with an additional handling fee of \$2.00 per dog per day.

Anyone who does not clean up after their dog will be removed from the trial with no refund of monies paid.

This trial will be held indoors
Show hours are 7:30 am to 5:00 pm

Games Classes

BLACK JACK: The purpose of this game is to collect exactly 21 points in the shortest amount of time. Accumulating more than 21 points disqualifies the team. The order of the obstacles is the handler's choice. No contact obstacle can be taken back to back whether successful or unsuccessful. No obstacle can be taken more than twice for points. If dog and handler collect 21 points before the end of the game time the team runs to the finish line to stop the time.

DARE TO DOUBLE: This game is a dog choice game which means the team earns points for taking obstacles in the order and directions of his choosing. The team has 50 seconds to accumulate as many points as possible and then heads to the finish line or table to end the game. The team must get to the finish line or table before the game time is over or else they lose half of their points. A warning whistle will be blown at 40 seconds, points are still accumulated up to the 50 second whistle. All obstacles may be taken twice for points except for the A-frame. The A-frame has a special value but can not be taken back to back. The A-frame doubles all points collected up to that point. There is no limit on the number of times the A-frame can be taken

BEAT THE CLOCK: The objective of the game is for the team to perform all the obstacles on the clock before the time expires. The game starts with the dog performing the obstacle at the center of the clock face and a quarter of the obstacles on the course (#1-3). The dog then performs the center obstacle again then moves to the next quarter of the clock (#4-6). This pattern continues till all obstacles are completed (12) the dog is then directed to the finish line or table to stop the clock. If an obstacle is faulted the dog must then do the center obstacle again and reattempt that quarter of the clock before he can continue to the rest of the clock.

PINBALL WIZARD: This is a point accumulation game. The course begins on a designated start obstacle. From there, the team must accumulate a minimum number of points as determined by the judge before activating the trigger obstacle. Once the trigger has been activated, the team may complete the bonus, a series of obstacles designated by the judge. Completing the bonus will triple the accumulated points. The bonus may be repeated by resetting the trigger obstacle and again completing the bonus obstacles. This game is scored points then time.

Height Divisions

At the handler's option, dogs may be entered in a higher height division, but not in a division lower than their proper height division. Dogs that run in a height division lower than their proper division will be eliminated. Provisional dogs must be measured by a judge. To figure leg to shoulder ratio: Height from the elbow to the ground ÷ height at the withers = % (ratio). If that percentage is less than 50% and meets the height requirement then the dog can jump at the next lower height.

4" jump height – restricted to dogs measuring 8" or less at the withers; or dogs with a jump height exception measuring 12" or less.

How the Fast Track Move-Up Works

Titles may be grand-fathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from beginners to superior on the same day, if the dog qualifies first in beginners, then qualifies again in Intermediate.

Likewise, it is possible to move up from Games I to Games III by earning qualifying scores at the lower levels.

A qualifying score in the lower class is required to move up to the next higher class. The dog's owner must submit a copy of title certificates for the dog.

Please mark each of the following that apply:

Move up from Beginner to:	<input type="checkbox"/> Intermediate	<input type="checkbox"/> Superior
Move up from Games I to:	<input type="checkbox"/> Games II	<input type="checkbox"/> Games III

Submit \$8.00 with your move-up request, and attach this form. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have four chances at each), and is non-refundable.
